Panel Deci

REASON:

Generally, decisions by post classifiers are final; no reconsiderations
are permitted.

Exception to this general rule will be permitted only in the instance
where it is strongly felt by the receiving AU (and substantiated by
particular reasons) that the case is more properly assigned elsewhere.
In that instance, the case should be routed to the 2109/2609 gatekeeper
via your SPE with the particular reasons for reconsideration.

In the future, please follow these guidelines before forwarding a case
for reconsideration.

Thank you for your cooperation.
